

PointClickCare for Home Care

PointClickCare's At Home solution can help your agency be everyone's first choice for home care by empowering your organization to provide quality care and clinical outcomes, maintain compliance, improve financial health, and attract and retain employees.

The easy-to-use interface allows users to capture and communicate timely, accurate, and complete documentation with minimal training or technical know-how.

PointClickCare At Home Benefits and Features

Gain the support of a technology partner trusted among Long-Term Post Acute Care providers.

For Care Providers | Mobile Application

- ✔ Stay connected with access to appointment schedules and client records.
- ✔ Support Electronic Visit Verification by recording appointment GPS and Start and End time.
- ✔ Document all care and services provided.
- ✔ Disconnected mode for when caregivers are without internet connectivity.
- ✔ Get data daily to stay on top of what's happening in your agency.

For Office & Administrative Staff | Web Application

- ✔ View complete client medical records to support the back-office nursing QA processes.
- ✔ Support streamlined intake process from managing a master patient record to checking real-time insurance eligibility.
- ✔ Generate clean claims and submit directly to clearinghouses or payers. Auto-import electronic remittance files to save hours in cash posting.
- ✔ Manage the Medicare episode from generating and submitting the OASIS to submitting timely RAPS & final claims.
