

PointClickCare®

Success Under PDPM

Plaza Healthcare

“We’re extremely grateful to have PointClickCare as we prepare for PDPM. It gives us the foundation we need as a facility to take credit for the services we’re providing on a daily basis.”

CEO and Licensed Operator
Plaza Healthcare

Some of the tools Plaza Healthcare is leveraging for PDPM

PDPM Dashboard

Ensure timely completion of required MDS assessments.

PDPM Analyzer

Intelligent coding analysis for case-mix and HIPPS

RUG Comparison Report

Enhanced visibility into payment model reimbursements

See what Plaza Healthcare's staff have to say about PDPM:

“ The RUG comparison report has helped us to see where we would be today if we were under the PDPM payment model. ”

Jacqueline Lewis
Director of Health Information

“ At Plaza we strive to stay ahead of changes by being involved with industry resources and attending educational programs. ”

Carolina Lewis
Director of Health Information

“ Everything is going to benefit our patients (under PDPM). We're going to see a lot less return to hospital and see patients going to acute rehab sooner. ”

Jessica Rivera
Assistant Administrator
