

The Total Economic Impact™ Of PointClickCare's Skilled Nursing Solution

Through customer interviews and data aggregation, Forrester concluded that PointClickCare has the following three-year financial impact.

"All of my providers chart in PointClickCare, and the nurses have touchscreen tablets on their med carts. The process is much faster and more accurate."

"Nurses are spending less time charting after hours because they get it done during their shift."

VOICE OF THE CUSTOMER

"PointClickCare updates what is needed as regulations change, so the quality of reporting is continuously improving."

"Before, I had to go to several different places to try and find information and now, I can literally sit in my office and, just in a couple of clicks, see everything."

"It's all right there, and you can go in and access whatever is needed. We can send electronic copies of all forms whenever we need to."

"PointClickCare gave us real, specific objectives that I could hold people accountable for and data to make better staffing decisions."
