Enhance efficiency, increase accuracy, and optimize Patient Driven Payment Model (PDPM) reimbursement with PDPM Coach

PDPM Coach offers secure, accurate guidance for submissions to optimize workflow and drive reimbursement. PDPM Coach gives skilled nursing organizations a simple, intuitive, and efficient way to complete the 5-day Admission Minimum Data Set (MDS) and improve financial outcomes

Optimize Organizational Outcomes

- Improve financial health with tool guidance to maximize reimbursements
- Quickly see reimbursement forecasts at the resident level
- Provide full visibility into your day-one rate and anticipated length of stay reimbursement
- Receive optimal Medicare reimbursement from day one with diagnosis accuracy, clinician-driven recommendations and real-time visibility into reimbursement and case mix index

Increase Staff Efficiency

Reduce technology barriers with access to secure MDS submission within the Electronic Health Record (EHR) platform

Increase staff confidence and reduce time spent on submissions with easy-to-use MDS job tool

Optimize ICD-10 coding practices with accurate mapping to streamline claim processing, ensure clinical compliance, and maximize PDPM reimbursement

Quickly identify changes needed and correct errors for a successful submission

Safeguard for staff turnover disruption and improve training and employee MDS knowledge with in-tool education on PDPM best practices

Improve practitioner engagement and boost participation by leveraging automated SMS messaging for streamlined collection and signing of Medicare A certifications and recertifications.

Accelerate Responses

Increase physician engagement and expedite response times to ensure compliance and meet reimbursement requirements.

Streamline Workflows

Enhance workflow processes to increase convenience and encourage greater participation from practitioners.

Quickly move clinical data to revenue with accurate, real-time reimbursement.
